Date: 11 July 2011

Dear Mr Lister

Bridlington Town Centre Area Action Plan (AAP) examination

The Inspector thanks you for your letter of 7 July 2011 regarding dates for the hearings.

The inspector takes your concerns seriously and, in the light of your position, is willing for the hearings to take place either in the week commencing 28 November or 5 December as requested.

She would still like to hold the Pre-Hearing meeting on the proposed date of Tuesday 27th September.

We realise that the original provisional date was September but any examination timetable is indicative only and an exploratory meeting is an unscheduled element of this. Where the content of the DPD requires one it may introduce an element of delay.

Yours sincerely

C K Edwards
Programme Officer
