Dear Ms Worden,

Re: Proposed date for Examination in Public

Further to your letter dated 11 July 2011, I am grateful that the proposed Hearing date can be moved. The most preferable date for both the Council's team and The Spa would be week commencing 5 December 2011. Is the matter to be listed for 5 days?

I can also confirm that The Spa meeting rooms are available on 27 September 2011 should we hold the Pre-Hearing Meeting.

I look forward to hearing from you.

Yours sincerely,

John Lister
Head of Bridlington Renaissance
