Date: 13 July 2011

Dear Mr Lister

**Bridlington Town Centre Area Action Plan (AAP) examination
Proposed date for Examination in Public hearings**

Further to your letter of 12 July regarding dates for the hearings, the inspector can confirm that she would be happy with the week commencing 5 December.

As for the duration of the Hearings she will have a better idea once she has drawn up her Matters & Issues paper in early September. She suggests that we programme the Hearings for 4 days beginning Tuesday 6 December, but that people keep Monday free so that we can start then if need be. It may be advisable at this stage to book a couple of reserve days in the following week, as a contingency plan.

I can confirm that we would like to hold the PHM at the Spa on Tuesday 27 September.

Yours sincerely

C K Edwards
Programme Officer
