Dear Respondent

Bridlington Town Centre Area Action Plan (AAP) examination – next steps

Following the Exploratory meeting held on 17 June the inspector recommended that the AAP progress to the Pre-Hearing meeting and hearings. The Council have confirmed that they are happy to proceed and dates have been agreed.

The Pre-Hearing meeting will take place on **Tuesday 27 September 2011**. The hearings will commence on **Monday 5 December at 2pm** and are currently scheduled to run all week. Two reserve days have been booked on 12-13 December.

The inspector will issue her List of Matters and Issues before the Pre-Hearing meeting as well as a draft programme. She will also issue Guidance notes to help participants prepare for the hearing sessions.

After the Pre-Hearing meeting there will be a period of about 6 weeks in which the Council and other participants will be invited to prepare their written statements responding to the matters and issues identified. These will be made available via the AAP examination website.

At the Exploratory meeting the Council agreed to produce two papers for further clarification, a note on 'Harbour Development Phasing' and a 'Summary of Appraisals for Burlington Parade'. These have now been submitted to the inspector and are available to view on the website in the Examination library:
